

Serenity in every Square Feet.

Peace comes with serene environment and comfort comes with best infrastructure. If any projects that meets both the qualities then it is our new project "ECO GREENS".

Facilities proposed in the Layout:

- Borewell with overhead tank
- Electric power with transformers
- Underground electric cable
- Drainage & sewerage system
- Main road & cross roads as per the BIAAPA
- Asphalted roads as per BIAAPA norms
- Avenue tree plantation & fully developed park
- Watch & ward for five years at cost

Dimensions : **30x40, 30x50, 40x60, 50x80**
